

PRASHANT KUMAR

Software Developer | Python | AI/ML | Web Development

India | +91 9065949148 | prashantkumar75258@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Computer Science and Engineering student with a strong foundation in programming, algorithms, data structures, competitive programming, and software development. Experienced in building practical applications using Python, web technologies, and AI/ML concepts. Passionate about problem solving, intelligent applications, and continuously learning modern software development technologies.

TECHNICAL SKILLS

Programming Languages: Python, C, C++, Java, Kotlin

Web Development: HTML, CSS, JavaScript, React

AI & Machine Learning: Artificial Intelligence, Machine Learning, AI Applications, BLIP

Database: SQL, MySQL, Database Management

Cloud: Vercel

Developer Tools: Git, GitHub, VS Code, Postman

Core Concepts: Data Structures, Algorithms, Problem Solving, Competitive Programming

PROJECTS

AI Image Captioner

Python | BLIP | AI | Machine Learning

- Developed an AI-powered application that generates natural-language captions for uploaded images.
- Integrated an image-captioning model to process images and produce descriptive text.
- Built and deployed the application as a functional web-based project.
- Focused on creating a practical AI application with a simple user experience.

Personal Portfolio Website

HTML | CSS | JavaScript | Vercel | GitHub Pages

- Designed and developed a responsive personal portfolio showcasing projects, technical skills, coding profiles, and professional journey.
- Implemented interactive navigation, scroll-based section highlighting, reveal animations, email-copy functionality, and interactive UI elements.
- Created a modern responsive interface with a glassmorphism-inspired design.
- Deployed the portfolio using Vercel and GitHub Pages.

EDUCATION

JIS College of Engineering

Bachelor of Technology (B.Tech) — Computer Science and Engineering | August 2023 – July 2027

CGPA: 8.54

ACHIEVEMENTS

- Completed the GeeksforGeeks 160 Days of Problem Solving challenge.
- Solved 700+ problems on GeeksforGeeks and 1,200+ problems on LeetCode.

CERTIFICATIONS

- AWS Academy Graduate — AWS Academy Machine Learning Foundations
- Gemini Certified University Student
- Python with Django
- Internship Certificate — Machine Learning and Data Science
- Aptitude and Reasoning — Skill Up
